

1937/38 Delco R-1130 Console radio, speaker missing, \$50 OBO

1937/38 Delco R-1130, S/N 909667. Cabinet is restorable, guts appear to be all there, but the speaker is missing. Given to me by a previous owner of my house. Probably a good restoration candidate, but I haven't the time, skills, money, or space. Contact Thomas Ruyle at truyle@gmail.com, 207-514-6207. I live in Cheverly and can deliver within a 20-mile radius, otherwise you will need to come get it. \$50 OBO, cash or Zelle/PayPal. Reasonable offers only.
